RIVERHOUSE

EMBRACE YOUR SECOND HOME, WHERE
CAMARADERIE FLOURISHES, BRILLIANCE
THRIVES, AND TRANQUILITY REIGNS.

BE TOGETHER

BE BRILLIANT

BE STILL

A place to do. Meet. Get your head down, or lift your spirits up. Work home-from-home in a place that gives you the space you need to be at your best and make things happen.

We have a variety of beautiful spaces available for you to enjoy throughout the house - with our Garden Rooms and Garden (including our Garden Pods for members to enjoy from Monday to Thursday).

Somewhere you know you'll be able to reconnect, switch off the things that don't matter, turn on the things that do.

Rest and reconnection shouldn't be productivity's enemy but it's partner, which is why we've brought it all together.
