## FESTIVE AFTERNOON TEA

*“It is believed that credit for the custom of the Afternoon Tea goes to Anna, the 7th Duchess of Bedford in the early 19th century. The usual habit of serving dinner as late as 9pm left the Duchess hungry in the late afternoon. To stave off the hunger she would order tea, bread and butter and cakes to be served in her room. This was thought to be an excellent idea and the habit caught on and the afternoon tea was born.”*
